SURREY 100,
31ST JULY
2016

“I am taking part in the RideLondon Surrey 100 on 31st July. I decided to raise money for a local charity and I was inspired by the great work Special Olympics Norfolk does for children and adults with intellectual disabilities. Evie Rodwell, a friend of the family, will be taking part in the Special Olympics National Summer Games in August 2017 and I have decided to raise money to help send Evie and 29 fellow SON athletes to the games.”
